

DUPLEX APPLICATION FOR PLANNING COMMISSION

An application for a special use (SU) for a two-family dwelling in the City of Knoxville, or for a use on review (UR) or development plan (DP) for a duplex in Knox County, must include the following:

- The owner's signature or option holder's signature must be provided on page 2 of the Development Request application or the application will not be accepted.
- Site plans must include the following:
 - Site notes, including the property address, parcel ID, owner information, acreage, zoning district, dimensional standards, etc.
 - Scale of drawing
 - Lot lines with dimensions
 - Name and location of all existing and proposed roads adjacent to the subject property
 - Existing and proposed driveways, parking spaces, and walkways with dimensions, area (sq. ft.), and surface material identified
 - Existing and proposed structures with overall dimensions and dimensions to the front, side, and rear property lines
 - Access easements, if applicable
 - North arrow
 - Date of design should be noted on the plans
 - Sight distance verification at the proposed access (if questionable or otherwise required)

Within Knox County:

- Front building elevations are recommended but not required. If provided, elevations should show:
 - General dimensions of the building height and width.
- Conceptual images may be provided in lieu of building elevations with approximate building height noted

Within the City of Knoxville – See Article 9.3 of the City's Zoning Ordinance pertaining to Primary Use Standards for "Dwellings, Two Family" for more information on the standards below.

- Scaled and dimensioned drawings of all street-facing elevations, which must include the following:
 - Scale of drawing
 - General dimensions of wall area (height and width)
 - Building height and roof pitch
 - Primary exterior finish materials
 - Primary entrance locations (9.3.J.1)
 - Front façade articulation (9.3.J.2)
 - Transparency % of front façade (i.e., % of façade comprised by windows) (9.3.J.3)
 - Front-loaded garages (9.3.J.4 & 5)
 - If property is in the HP (Hillside Protection Overlay) district, the applicant must demonstrate compliance with the HP standards.

Note: If the development is using Middle Housing standards, then Article 4.6, Middle Housing Standards in the City's Zoning Ordinance applies and the Middle Housing process should be utilized instead of seeking a special use.
