FINAL SUBDIVISIONS

5. RESUBDIVISION OF DEAN HILL ADDITION PART OF LOT 18

5-SB-26-F

7157 Cheshire Drive / Parcel ID 120EG027 (partial), Council District 2.

Speaking: Gart Roth, Jr., 6718 Kern Rd., Knoxville, TN

1. STAFF RECOMMENDATION

Allow the subdivision plat to be accepted without surveying the remainder of Lot 18 as created by the Dean Hill Addition subdivision plat, based on the following evidence of hardship.

- 1. The adjacent property to the northwest (Parcel 120EG029), which contains a portion of Lot 18, is under separate ownership from the subject property of this plat. The northern portion of Lot 18 was added to Lot 19 by deed in 1987 (instrument # 198706160021427). This plat proposes to create a lot of record for the southern part of Lot 18. To include the adjacent parcel on the plat, the property owner would have to survey property that does not belong to them.
- 2. The current owner acquired the southern part of Lot 18 (Tract 1) and Tract 2 (Parcel 120EG027) in 2024 by

Item No.

File No.

deed (instrument # 202408020006579); however, the division of Lot 18 was never reflected on a recorded plat. Since Parcel 120EG029 is under separate ownership, the property owner would have to survey property that does not belong to them should the variance not be approved.

3. Approval of this variance will not be detrimental to public safety, health, welfare, or injurious to other properties, as the new lot meets all criteria of the Subdivision Regulations, with the exception of surveying the entirety of Lot 18.

- 2. **MOTION (BUTLER) AND SECOND (MIDIS) WERE MADE TO APPROVE THE VARIANCE PER STAFF RECOMMENDATION.**

MOTION CARRIED UNANIMOUSLY 12-0. APPROVED

- 3. **STAFF RECOMMENDATION**

Approve the final plat to create a single lot in the RN-1 district.

- 4. **MOTION (BUTLER) AND SECOND (MIDIS) WERE MADE TO APPROVE THE FINAL PLAT PER STAFF RECOMMENDATION.**

APPROVED ON CONSENT EARLIER IN THE MEETING

16. FINAL PLAT OF DIANA MCMILLAN PROPERTY

5-SA-26-F

8421 Greenwell Road / Parcel ID 037 129, Commission District 7.

1. STAFF RECOMMENDATION

Approve the variance to allow a new 25-ft access easement to connect to the existing easement instead of a public street based on the following evidence of hardship:

Item No.**File No.**

1. Lot 1 has frontage on Greenwell Rd; however, the possible sinkhole and 50-ft buffer limits the access to property from the public street. Additionally, the location of the existing utility pole next to the driveway in the existing easement area would prevent the creation of a single improved 25-ft access easement extending from Greenwell Rd to Lot 2.

2. The creation of a single improved 25-ft access easement extending directly to the public street is prevented by the utility pole within the existing easement.

3. Granting of the variance would not be detrimental to the public safety, health or welfare of the public, nor would it be injurious to other properties in the neighborhood as the A zone allows two houses on the existing property by right. This plat serves to have one house on each lot to share the new 25-ft permanent private easement and maintenance of it.

- 2. MOTION (BARGER) AND SECOND (ANDERSON) WERE MADE TO APPROVE THE VARIANCE PER STAFF RECOMMENDATION.**

MOTION CARRIED UNANIMOUSLY 13-0. APPROVED

5-SI-26-F

1920 Whirlwind Way / Parcel ID 042 19576, Commission District 8.

1. RECOMMENDATION

Approve the variance from Section 3.03.E of the Subdivision Regulations to allow an additional lot to be created without requiring the existing Joint Permanent Easement to be subject to the applicable requirement of Section 3.03.D of the Subdivision Regulations based on the following evidence of hardship.

1. The existing Joint Permanent Easement is owned and maintained by ASARCO. ASARCO's assets have been sold and transferred multiple times and it has

Item No.**File No.**

undergone bankruptcy, making it unclear who is responsible for maintaining the current easement.

2. The property owner did not create the Joint Permanent Easement and does not have the legal right to improve it to meet the current subdivision regulation standards.

3. The Joint Permanent Easement and the two homes are pre-existing and the variance allows the homes to be on separate lots so they can be sold independently of each other. The traffic is established resulting in no additional impact to health and safety.

- 2. MOTION (GILL) AND SECOND (ANDERSON) WERE MADE TO APPROVE THE VARIANCE PER STAFF RECOMMENDATION.**

MOTION CARRIED UNANIMOUSLY 13-0. APPROVED**3. STAFF RECOMMENDATION**

Approve the variance from Section 3.03.G of the Subdivision Regulations to allow an additional lot to use the existing Joint Permanent Easement without updating the legal documentation based on the following evidence of hardship.

1. The property is served by a Joint Permanent Easement created by ASARCO in 1987. ASARCO has undergone several reorganizations, sales, and bankruptcies but the ownership information for the easement has not changed. There is no ability to obtain an updated easement agreement.

2. The property owner did not create the easement ownership issue and the resulting impossibility of obtaining an updated easement agreement by ASARCO.

3. The Joint Permanent Easement and the two homes are pre-existing and the variance allows the homes to be on separate lots so they can be sold independently of each other. The traffic is established resulting in no additional impact to health and safety.
