Image 2

Image 3

A photograph of a building facade. The upper portion shows a brick wall with two windows boarded up with plywood. Below the brick is a dark, possibly black-painted, horizontal band. A yellow sign with black text is attached to this band. Below the sign is a dark doorway or entrance. To the left of the doorway is a section of the building with light-colored, square tiles. A small metal bracket is visible on the brick wall above the doorway.
